

2017 Scale Fly In Report held 26/03/2017 at Phoenix Flyers of Launceston.

Considering the weather leading up to Sunday the 26th one would be surprised that the weather was perfect on the day with just a late start. This was due to vey low fog, we had planned to get underway around 9.00am but it was 10.00am before we had the flight briefing by then all where keen to get up flying. Every year it seems to be getting better supported by many members from other club attending from many parts of the State, which is excellent to see lets hope next year is better again. It was also good to have many non flying spectators and visitors who have shown interest in becoming aeromodelers. Excellent flying from all the pilots on the day with no mishaps to speak of apart myself doing some freestyle flying with the Etrich Taube over a large fence post.

Trophy winners for 2017

- Best Pre WW11 Aeroplane, Etrich Taube, Andrew McEntyre
- Best WW11 Aeroplane, Lysander, Michael Gibson
- Best Post WW11 ARF, PC 21, Dean Williams
- Best Post WW11 Scratch Built PT17 Stearman Kevin Hay
- Pilots Choice, Etrich Taube, Andrew McEntyre

Thanks very much to the Judges for there work during the day and also Canteen with all that lovely food on offer. Thanks also to all the helpers leading up to the day which has made the day a great success. We look forward to seeing everyone next year at the Scale Fly In. Andrew.
